1.3 Message From The Managing Director

Engr. Abdullah Al Mamun PEng.

MARCS Architect & Engineer Ltd. offers almost 14 years' experience in construction across a range of diverse infrastructure and urban development projects. Whether it's the strategic planning of a new town Centre; an urban renewal project; an industrial, commercial or retail facility or a major roads upgrade – **MARCS** has the know-how.

At **MARCS**, every client and project is valued. Our mission is to build innovative and sustainable environments with creativity, care and value. In turn, I believe we make a real difference to the success of our clients' projects.

“Detailed planning and critical analysis along with a continuous commitment to technical excellence are central to our client service proposition.”

MARCS is anchored by six key distinctive qualities:

- A focus on client communication and responsiveness
- Honest, practical and technically astute advice
- A strong focus on delivering constructible, robust and optimized design solutions
- High quality documentation – the first time
- Attention to detail, from feasibility investigation and concept design to the detailed design phase and construction
- Senior staff involvement to ensure projects benefit from our depth of experience

Our reputation has been built on our unwavering drive to deliver the best professional advice possible. Detailed planning and critical analysis along with a continuous commitment to technical excellence are central to our client service proposition. Senior staffs are actively involved in client projects, providing years of experience and ongoing high-level direction. Whether MARCS plays a major or supporting role in your project, our goal is to ensure your project is successful. We are engineers, designers, scientists, planners, surveyors, project managers and contractors but above all – we are a team dedicated to delivering smart outcomes for our clients, the community and future generations.

INDEPENDENT AUDITORS' REPORT
To The Shareholders of
M.A.R.C.S ARCHITECT AND ENGINEERING LTD.

Report on the Audit of the Financial Statements.

Opinion:

We have audited the accompanying financial statements of M.A.R.C.S ARCHITECT AND ENGINEERING LTD., which comprise the Statement of Financial Position as at June 30, 2023 and the statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the period then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view in all material respects, the financial position of the Company as at June 30, 2023 and its financial performance and cash flows for the year then ended in accordance with the International Financial Reporting Standards (IFRSs), the Companies Act 1994 and other applicable laws and regulations.

Basis for Opinion.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the 'International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with ethical requirement that are relevant to our audit of the financial statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with these requirement and IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards (IFRSs), The Companies Act 1994 and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a Going Concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those charges with governance are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise Professional Judgment and maintain Professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. But not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements.

In accordance with the Companies Act 1994, we also report the following:

- a) We have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appeared from our examination of those books.
- c) The company's statement of financial position dealt with by the report is in agreement with the books of account.
- d) The expenditures incurred and payments made were for the purpose of the Company's business for the year under review.
